

“Re-Gaining Your Competitive Edge”

Follow the Leader

Your success is absolutely based on **how effectively you and your team communicates**. Communicating **a succinct message** and **getting others to buy into it** provides you with an **extraordinary advantage** in business and in life. You will gain that advantage and maximize your team's full potential by attending the one workshop this year which **You** cannot afford to miss.

You will leave with **7 Powerful Tools** that you can put to work immediately. **YOU** will learn how:

1. To deliver a goal achievement strategy that **WORKS**
2. To apply NLP techniques (*Neuro Linguistic Programming*) **so your team takes action NOW**
3. To identify the four major behavioral styles and how *Each style controls communication*
4. To create solutions – not solve problems
5. To get your team to take hold of your internal message
6. To eliminate the cause of team sabotage (The **Secret Weapon** of all Great Leaders)
7. To tap into the **Seventh Sense: The Key to Effectiveness in Life and Business**

This unique interactive seminar includes:

- Course materials and eBooks
- Full Disc Analysis and report (**\$200 value**)
- Laminated Success Road map
- Breakfast, Lunch and so much more....

Two Additional Bonuses:

- (1) FREE** Business Effectiveness Evaluation (**\$350 value**)
- (1) FREE EBook**

Thursday, August 12th
